Business Casual vs. Professional

Have an interview or professional event coming up? Learn how to decode dress code.

Tips for Success in Any Business Situation

- 1 When in doubt, dress conservatively.
- 2 A suit (suit & tie for males) will suffice in most situations
- 3 Make sure your outfit is wrinkle-free.
- 4 Stick with solid colors and tighter-woven fabrics or simple patterns.
- 5 Accessories should be kept simple: basic pumps, modest jewelry, light make-up & light perfume.
- 6 Wear a belt and a watch.
- 7 Be sure your hair is neatly trimmed or groomed. Avoid the "messy" look.
- 8 Shirts with lettering or graphics should not be worn.
- 9 Check your outfit for missing buttons, lint, or a crooked tie.
- 10 A skirt should be no shorter than the tips of your middle fingers (or just above the knee for good measure).
